Under the unity and leadership of the Communist Party of China (CPC) Central Committee with General Secretary Xi Jinping as the core, we went through an arduous historical test together with the people of the whole country, and achieved major strategic achievements in the fight against COVID-19. In light of the overall arrangement of the CPC Central Committee and the State Council, China Population Welfare Foundation (CPWF) actively participated in the prevention and control of the epidemic at the beginning of the new year and wasted no time in launching the Public Health Emergency Response Program to raise funds and materials for the front-line medical institutions and workers. After the epidemic situation in China was brought under effective control, the CPWF responded to an initiative of the World Health Organization (WHO). Under the guidance of the Ministry of Foreign Affairs, the Ministry of Civil Affairs and the National Health Commission, we joined COVID-19 Solidarity Response Fund for WHO · Action of China through exclusive partnership to help the global fight against the epidemic and show the moral feelings of the Chinese nation and the Chinese people.

In 2020 when China endeavored to achieve the goals of building a moderately prosperous society in all respects and of the country's poverty alleviation, the CPWF always kept in mind the purpose of "enhancing people's welfare and promoting family happiness", and implemented the core values of hard struggle, being realistic and pragmatic, being honest and friendly, and serving donors, volunteers and recipients wholeheartedly. By giving play to the organizational advantages of flexible mechanisms and wide mobilization, the CPWF raised funds, implemented projects, built platforms, created models, and did a solid job in health, targeted, nutrition, Party building, and consumption poverty alleviation projects. A number of poverty alleviation projects such as the Health by Heart Poverty Alleviation Fund, the Chinese Major Disease Social Assistance Platform, Village Doctor Training Program, Project Happiness – Helping Mothers in Poverty and Happy Smile – Helping Children with Cleft Lip and Palate have all achieved remarkable results, making due contributions to the exploration of establishing a long-term working mechanism to prevent illness-related poverty, and helping to win the critical war against poverty.

In terms of internal governance and team building, the CPWF, based on its characteristics as a charitable organization, adhered to the concept of "promoting development with Party building, assisting development with honesty, and ensuring development through credibility". In 2020, the CPWF effectively enhanced its social influence and reputation by leading the way in charity efforts with a more open attitude and transparent manner, continuously improving systems, and standardizing daily management. The employees at all levels of the CPWF worked hard and well to ensure clean governance.

Every milestone is a new departure. We are grateful for your company in 2020. In 2021, the CPWF will embark on a new journey with new dreams. Together with all donors, partners, volunteers and recipients, let's forge ahead and embrace the new quest!

健康暖心工程

Health by Heart Program

2013 年 10 月，由国家卫生健康委发起，中国人口福利基金会负责组织实施的“健康暖心”工程，在全国连片特困地区，特别是吕梁山片区定点扶贫县开展。经过近八年的探索，“健康暖心”工程梳理出“一免三助”的健康扶贫模式。2014 年，在国家卫生健康委扶贫办指导下，中国人口福利基金会专门设立“健康暖心”扶贫基金，为“健康暖心”工程提供资金保障，促进贫困地区卫生健康事业的发展。

2020 年健康暖心扶贫基金为国家卫生健康委定点县大宁、永和、清涧、子洲安排帮扶资金 3200 万元，支持当地扶贫产业和集体经济发展，变单一“输血救助”为多元“造血自生”；全力支持国家中医药局定点帮扶的五寨县，2020 年投入 1690 万发展中医药产业等项目；疫情期间采购了 116.4 万元的防疫物资，帮助定点扶贫县克服疫情影响，加快推进县域内扶贫产业复工复产，稳固提升脱贫攻坚成果；积极参与党建扶贫工作，累计为党建扶贫提供 510 万元资金保障，在定点扶贫县的 24 个村开展结对帮扶；10 月 14 日第三次承办国务院扶贫办组织的“全国扶贫日”健康扶贫论坛，线上线下共同见证健康扶贫的进展与成就，现场近 200 人参会，线上开通 8 个直播通道，各直播平台浏览量总计 335.4 万。

2021 年，站在新的历史起点上，我们将继续发挥健康暖心工程尤其是健康暖心扶贫基金作用，巩固拓展脱贫攻坚成果，做好脱贫攻坚与乡村振兴有效衔接。

In October 2013, the "Health by Heart" program, initiated by the National Health Commission and organized and implemented by CPWF, was launched in China's contiguous poor-stricken areas, especially the designated poverty alleviation counties in the Lvliang Mountain area. In 2014, under the guidance of the Office of Poverty Alleviation and Development of the National Health Commission, CPWF set up the "Healthy by Heart" Poverty Alleviation Fund to provide financial support for the "Health by Heart" program and promote the development of health care in poor areas.

In 2020, the Health by Heart Poverty Alleviation Fund allocated 32 million yuan to Daning, Yonghe, Qingjian and Zizhou, which are all poor counties in the National Health Commission's targeting plan, to support the development of local poverty alleviation industries and collective economy, transforming a single-focused approach of "blood transfusion aid" into a diversified one that enables "blood creation and self-generation". In 2020, we invested 16.9 million yuan in the development of Chinese medicine industry to support Wuzhai County, a key assistance target of the National Administration of Traditional Chinese Medicine with all out efforts. During the epidemic,

赴贺家沟村开展党建扶贫活动

we purchased epidemic prevention materials worth 1.164 million yuan to help the targeted poor counties overcome the impact of the epidemic, accelerate the resumption of poverty alleviation industries, and consolidate the achievements of poverty alleviation in the counties. We actively participated in poverty alleviation through Party building and provided financial support of 5.1 million yuan. We also promoted "paired poverty fight" in 24 villages of designated poverty-stricken counties. On October 14, we hosted the "National Poverty Alleviation Day" Health Poverty Alleviation Forum organized by the State Council Leading Group Office of Poverty Alleviation and Development, which is the third time for us to hold the event. The forum was accessible both online and offline for people to witness the progress and achievements of health poverty alleviation, with nearly 200 participants on site, 8 live channels, and a total of 3.354 million viewings on live stream platforms.

2021 marks a new historical starting point. We will continue to make better use of the Health by Heart Program especially the Health by Heart Poverty Alleviation Fund, and consolidate and expand the achievements in poverty eradication with efforts to promote rural revitalization.

健康援助—联心助医基层医疗装备计划

Health Assistance –Medical Equipment Assistance Project for Primary-level Medical Institutions

“健康援助—联心助医基层医疗装备计划”启动于 2015 年 7 月，旨在通过医疗设备的捐赠，改善基层医疗卫生机构装备水平，提高基层卫生服务能力，推动基层医疗事业的良性发展，进一步做好精准扶贫，促进“看病难、看病贵”问题的解决。

全国已有 25 个省的 754 家医院、医疗机构申请联心助医设备捐赠，累计捐赠医疗设备 2350 台（套），总价价值 49443.29 万元，其中 2020 年向 181 家基层医疗机构捐赠医疗设备 551 台（套），价值 10461 万元。

党中央高度重视基层卫生工作，尤其是在新冠疫情爆发后，习近平总书记指出，加强公共卫生队伍建设和基层防控能力建设。中国人口福利基金会将按照党中央精神，积极贯彻落实《中华人民共和国基本医疗卫生与健康促进法》，将项目工作内容转入关注加强基层卫生服务体系建设，提升基层卫生服务能力，在全国医疗条件发展不平衡不充分地区继续开展医疗设备捐赠工作，助力健康中国建设。

The "Health Assistance –Medical Equipment Assistance Project for Primary-level Medical Institutions" was launched in July 2015. Through donation of medical equipment, it aims to improve the equipment level in primary medical and health institutions, enhance the capacity of primary health services, and promote the development of primary medical care. While further improving targeted poverty alleviation, it also seeks to solve the problem of inadequate and overly expensive medical service in China.

754 hospitals and medical institutions in 25 provinces have applied for medical equipment donation through the Primary Medical Equipment Support Program, with a total of 2,350 sets of medical equipment (sets) being donated, worth 494,432,900 yuan. In 2020, 551 sets of medical equipment, worth 104.61 million yuan, were donated to 181 primary medical institutions.

The CPC Central Committee attaches great importance to grassroots health work. In particular, after the COVID-19 epidemic, General Secretary Xi Jinping highlighted the importance of strengthening public health personnel training and epidemic prevention and control at the primary level. Led by the guiding principles of the Central Committee, China Population Welfare Foundation (CPWF) will put the Law of the People's Republic of China on the Promotion of Basic Medical and Health Care into practice and focus on strengthening the construction of the primary medical service system and enhancing public health service capability. We will continue to donate medical equipment to areas with unbalanced and inadequate medical service development, so as to help build a healthy China.

中国人口福利基金会：

我们审计了后附的中国人口福利基金会财务报表，包括 2020 年 12 月 31 日的资产负债表，2020 年度的业务活动表、现金流量表以及相关财务报表附注。

一、审计意见

我们认为，后附的财务报表在所有重大方面按照《民间非营利组织会计制度》的规定编制，公允反映了中国人口福利基金会 2020 年 12 月 31 日的财务状况以及 2020 年度的业务活动成果和现金流量。

二、形成审计意见的基础

我们按照中国注册会计师审计准则的规定执行了审计工作。审计报告的“注册会计师对财务报表审计的责任”部分进一步阐述了我们在这些准则下的责任。按照中国注册会计师职业道德守则，我们独立于中国人口福利基金会，并履行了职业道德方面的其他责任。我们相信，我们获取的审计证据是充分、适当的，为发表审计意见提供了基础。

三、其他信息

中国人口福利基金会管理层对其他信息负责。其他信息包括年度工作报告中涵盖的财务信息，但不包括财务报表和我们的审计报告。

我们对财务报表发表的审计意见不涵盖其他信息，我们也不对其他信息发表任何形式的鉴证结论。

结合我们对财务报表的审计，我们的责任是阅读其他信息，在此过程中，考虑其他信息是否与财务报表或我们在审计过程中了解到的情况存在重大不一致或者似乎存在重大错报。

基于我们已执行的工作，如果我们确定其他信息存在重大错报，我们应当报告该事实。在这方面，我们无任何事项需要报告。

四、管理层和治理层对财务报表的责任

中国人口福利基金会管理层（以下简称管理层）负责按照《民间非营利组织会计制度》的规定编

制财务报表，使其实现公允反映，并设计、执行和维护必要的内部控制，以使财务报表不存在由于舞弊或错误导致的重大错报。

在编制财务报表时，管理层负责评估中国人口福利基金会的持续经营能力，披露与持续经营相关的事项，并运用持续经营假设，除非管理层计划清算中国人口福利基金会、终止运营或别无其他现实的选择。

治理层负责监督中国人口福利基金会的财务报告过程。

五、注册会计师对财务报表审计的责任

我们的目标是对财务报表整体是否不存在由于舞弊或错误导致的重大错报获取合理保证，并出具包含审计意见的审计报告。合理保证是高水平的保证，但并不能保证按照审计准则执行的审计在某一重大错报存在时总能发现。错报可能由于舞弊或错误导致，如果合理预期错报单独或汇总起来可能影响财务报表使用者依据财务报表作出的经济决策，则通常认为错报是重大的。

在按照审计准则执行审计工作的过程中，我们运用职业判断，并保持职业怀疑。同时，我们也执行以下工作：

（1）识别和评估由于舞弊或错误导致的财务报表重大错报风险，设计和实施审计程序以应对这些风险，并获取充分、适当的审计证据，作为发表审计意见的基础。由于舞弊可能涉及串通、伪造、故意遗漏、虚假陈述或凌驾于内部控制之上，未能发现由于舞弊导致的重大错报的风险高于未能发现由于错误导致的重大错报的风险。

（2）了解与审计相关的内部控制，以设计恰当的审计程序，但目的并非对内部控制的有效性发表意见。

（3）评价管理层选用会计政策的恰当性和作出会计估计及相关披露的合理性。

（4）对管理层使用持续经营假设的恰当性得出结论。同时，根据获取的审计证据，就可能导致对中国人口福利基金会持续经营能力产生重大疑虑的事项或情况是否存在重大不确定性得出结论。如果我们得出结论认为存在重大不确定性，审计准则要求我们在审计报告中提请报表使用者注意财务报表中的相关披露；如果披露不充分，我们应当发表非无保留意见。我们的结论基于截至审计报告日可获得的信息。然而，未来的事项或情况可能导致中国人口福利基金会不能持续经营。

（5）评价财务报表的总体列报、结构和内容（包括披露），并评价财务报表是否公允反映相关

交易和事项。

我们与治理层就计划的审计范围、时间安排和重大审计发现等事项进行沟通，包括沟通我们在审计中识别出的值得关注的内部控制缺陷。

贵州省启动“贫困大病患者社会救助公益项目”

2020年10月23日19:39 来源：人民网

分享到：

为巩固拓展脱贫攻坚成果，精准帮扶困难家庭大病患者，防止个别患者因病返贫，近日贵州省计生协、贵州省人口健康基金会与中国人口福利基金会联合启动“贫困大病患者社会救助公益项目”，通过“中国大病社会救助”信息平台开展社会募集，帮助贵州省建档立卡贫困户大病患者解决基本医保制度政策报销后的自付部分医疗费用。

“中国大病社会救助”信息平台是由国家卫生健康委指导，中国人口福利基金会组织实施的国家级健康扶贫开放平台，为进一步加强困难群众社会救助，助力健康扶贫，2020年8月贵州省计生协与贵州省人口健康基金会联合下发《关于在全省开展贫困大病患者社会救助公益项目的通知》，依托中国人口福利基金会“中国大病社会救助”信息平台，引导慈善组织、企事业单位和爱心人士为我省贫困大病患者提供慈善救助。

中国与世卫组织联合启动公益筹款项目共抗疫情

2020-05-20 23:27:25 来源：新华网

新华社北京5月20日电（记者邹多为）为助力全球共抗疫情，中国人口福利基金会与世界卫生组织联合发起的“世界卫生组织新型冠状病毒肺炎（COVID-19）团结应对基金·中国行动”大型公益筹款项目20日在北京启动，通过近20家全国互联网公益平台，面向公众开放筹款。

世卫组织总干事谭德塞在视频致辞中对中国人口福利基金会支持和声援世卫组织在全球抗击疫情的善举表示欢迎和感谢。他说，双方的合作将推动中国企业和个人进行捐款，所筹集到的资金有助于各国预防、发现和应对新冠病毒，共同为挽救人类生命做努力。
