感谢辞

回首 2021 年，我们迎来了中国共产党百年诞辰，“两个一百年”在这里交汇；“十四五”规划开始实施，全面建设社会主义现代化国家踏上新征程。我们紧紧围绕在以习近平同志为核心的党中央周围，与全国人民一道，经受着统筹推进疫情防控和经济社会发展的大战大考。

这一年，中国人口福利基金会坚持党建引领和政策导向，以党史学习教育为契机，扎实开展“我为群众办实事”实践活动，紧抓疫情防控不放松，聚焦自然灾害救助，擘画推进健康中国行动、脱贫攻坚成果同乡村振兴有效衔接的发展蓝图，充分发挥第三次分配积极作用，为构建新发展格局迈出了坚实的步伐。

这一年，我们初心不忘担使命，关注“一老一小”等人口家庭难点议题，创新“幸福系列”品牌项目，做强第九届中华人口奖、乡村医生培训、中国大病社会救助平台等诸多增进人口福利、致力民生守护的慈善项目，为全面建成小康社会做出了应有的社会贡献。

这一年，我们保持“进”的势头、把握“稳”的节奏、提升“高”的质量，完成了等级评估、品牌规划等有益内部机制完善的组织任务，形成了奋发有为、风清气正的工作氛围，基金会知名度、美誉度和透明度进一步提高，获得了民政部 5 A 级全国性社会组织和全国先进社会组织的光荣称号。

感恩有您，益路相伴；感恩有您，善路同行。真诚感谢所有捐赠者、志愿者和受助者在过去的岁月里的勠力同心、和衷共济。2022 年是中国人口福利基金会成立三十五载，我们将继续凝聚和激发磅礴力量，保持“坚”苦奋斗的精神和永往直前的劲头，充分发挥社会组织机制灵活、拾遗补缺的作用，奋力谱写全面建设社会主义现代化国家的福祉篇章！

2021 年 12 月 31 日

Looking back on 2021, we have celebrated the 100th anniversary of the founding of the Communist Party of China with the historical convergence of the Two Centenary Goals; the 14th Five-Year Plan has been implemented, and the new journey to fully build a modern socialist China has begun. Rallying closely around the Central Committee with Comrade Xi Jinping at its core together with the people of the whole country, we went through the great test of comprehensively promoting epidemic prevention and control as well as economic and social development.

This year, the China Population Welfare Foundation adhered to the guidance of Party building and policy guidance, took the opportunity of Party history learning and education to solidly carry out the practical activity of "Do practical things for the people", paid close attention to epidemic prevention and control, focused on natural disaster relief, worked out a development blueprint for promoting the Healthy China Initiative and the effective connection between the achievements made in poverty alleviation and rural vitalization, and gave full play to the positive role of the third distribution to take solid steps for the construction of a new development pattern.

This year, we remained true to the original aspiration and undertook our mission, focused on the difficult issues of population and family, such as elderly care and child care, innovated the brand project of "Happy series", strengthened many charitable projects to improve population welfare and protect people's livelihood, such as the 9th China Population Awards, village doctor training and China social assistance platform for serious diseases, and made due social contributions to building a moderately prosperous society in all respects.

This year, we maintained the momentum of "progress", grasped the "stable" pace, and improved the "high" quality. We completed the organizational tasks beneficial to the improvement of internal mechanisms such as grade evaluation and brand planning, formed a promising and clean working atmosphere, and further improved the popularity, reputation, and transparency of the CPWF. We have been awarded the honorary title of 5A "National Social Organization" and "Advanced Leading National Social Organization" by the Ministry of Civil Affairs.

We are grateful for your company. We sincerely thank all donors, volunteers, and recipients for their concerted efforts in the past years. The year of 2022 marks the 35th anniversary of the founding of the China Population Welfare Foundation. We will continue to gather and unleash great strength, maintain the spirit of hard struggle and the momentum to keep moving forward, give full play to the flexible and complementary role of social organization mechanism, and strive to make contributions to fully building a modern socialist country in an all-round way!

MUTUAL AID MEDICAL PROGRAM

健康援助—联心助医计划

自党的十八大以来，我会在国家卫生健康委扶贫办的直接指导下，自觉承担起健康扶贫历史重任，我会通过 2014-2015 年在吕梁山片区贫困县的多次调研中发现，贫困地区卫生医疗条件差，水平低，因看病难而跨区就医，致近一半的家庭因病致贫、因病返贫。因此，改善贫困地区基层医疗装备条件，提升医疗服务水平，引导患病群众就近就医，降低患者异地就医的医疗成本，防止因病致贫、因病返贫成为联心助医项目的工作重点。健康援助基层医疗装备联心助医计划，自 2015 年项目实施以来，始终秉持公益捐赠的“自愿”和“无偿”原则，将当年捐赠设备名录公开发布在中国人口福利基金会官网，2021 年共向 94 家基层医疗机构捐赠价值 8900.96 万元的医疗设备 248 台（套）。

Since the 18th CPC National Congress, under the direct guidance of the Office of Poverty Alleviation and Development of National Health Commission, the CPWF has consciously undertaken the historical task of healthcare-based poverty alleviation. Through numerous investigations conducted in the poverty-stricken counties in the Lvliang Mountain area from 2014 to 2015, the CPWF found that, due to the poor health and medical conditions in poverty-stricken areas, the difficulty of getting medical service forced people to seek medical treatment in other regions. As a result, nearly half of the families were reduced to or slid back into poverty due to illness. Therefore, improving the conditions of primary-level medical equipment in poverty-stricken areas, improving the level of medical services, guiding sick people to seek medical treatment nearby, reducing the medical costs of patients seeking medical treatment in other places, and preventing the reduction to or sliding back into poverty due to illness have become the focus of Health Assistance – Mutual Aid Medical Program. Since 2015 when implementation of the project started, the project has always adhered to the principles of “voluntariness” and “free of charge” of public welfare donations, the lists of equipment donated each year have been published on the official website of the CPWF. In 2021, a total of 248 sets of medical equipment valued at 89 million yuan were donated to 94 primary-level medical institutions.

In 2015, in order to facilitate the development of the cause of care for the disabled and the elderly, Chuangzhi Rehabilitation and Care Center for the Disabled in Hengyang City, Hunan Province mobilized the society to raise 1 million yuan as the founding fund and applied for the establishment of the China Population Welfare Foundation "Help for the Disabled and Care for the Elderly Fund". The purpose of the fund is to help the disabled, care for the elderly, and create a better home for them. It aims to conduct research on the management and rehabilitation of care for the disabled and the elderly, training of care service personnel, rehabilitation education of care recipients, improvement of facilities and purchase of equipment for care institutions for the disabled and the elderly.

FOUNDATION OF RESPECTING AGED, CARING FOR YOUNG AND FAMILY DEVELOPMENT 尊老爱幼家庭发展基金

尊老爱幼家庭发展基金，成立于 2021 年，由北京大学国家发展研究院曾毅教授和中国人口与发展研究中心特聘研究员王正联博士共同发起，旨在提倡和鼓励三代同堂或老人与子女紧邻居住的代际互助家庭模式，以试点和实践项目案例建议社会各界为老人与已婚子女同住或紧邻居住家庭提供精神奖励和适当经济补贴，努力把正在逐渐失落的家庭价值观找回来，促进国家发展和改善亿万家庭福祉。

2021 年，基金收入 130 万元，支出 66.22 万元，首批资助的 11 个试点实践项目已在上海、浙江安吉、福建厦门、江西崇义、河南开封、广东深圳、山东威海、济宁和潍坊等地陆续启动实施。

Foundation of Respecting Aged, Caring for Young and Family Development, established in 2021, was initiated by Professor Zeng Yi of the National School of Development, Peking University and Dr. Wang Zhenglian, Distinguished Research Fellow of China Population and Development Research Center. The fund aims at promoting and encouraging the intergenerational mutual help model featuring three generations living together or the elderly living next to their children. Through pilot projects and cases, it suggests the society to provide moral encouragement and appropriate financial subsidies for families with the elderly living with married children or those living next to each other. Such efforts are made to bring back the family values that are gradually being lost, promote national development and improve the well-being of hundreds of millions of families.

In 2021, the fund received 1.3 million yuan and spent 662,200 yuan. The first batch of 11 funded pilot projects have been launched successfully in Shanghai, Anji (Zhejiang), Xiamen (Fujian), Chongyi (Jiangxi), Kaifeng (Henan), Shenzhen (Guangdong), and Weihai, Jining and Weifang (Shandong).

AUDIT REPORT
审计报告

审 计 报 告

中证天通[2022]审字第 0200261 号

中国人口福利基金会：

我们审计了后附的中国人口福利基金会财务报表，包括 2021 年 12 月 31 日的资产负债表，2021 年度的业务活动表、现金流量表以及相关财务报表附注。

一、审计意见

我们认为，后附的财务报表在所有重大方面按照《民间非营利组织会计制度》的规定编制，公允反映了中国人口福利基金会 2021 年 12 月 31 日的财务状况以及 2021 年度的业务活动成果和现金流量。

二、形成审计意见的基础

我们按照中国注册会计师审计准则的规定执行了审计工作。审计报告的"注册会计师对财务报表审计的责任"部分进一步阐述了我们在这些准则下的责任。按照中国注册会计师职业道德守则，我们独立于中国人口福利基金会，并履行了职业道德方面的其他责任。我们相信，我们获取的审计证据是充分、适当的，为发表审计意见提供了基础。

三、其他信息

中国人口福利基金会管理层对其他信息负责。其他信息包括年度工作报告中涵盖的财务信息，但不包括财务报表和我们的审计报告。

我们对财务报表发表的审计意见不涵盖其他信息，我们也不对其他信息发表任何形式的鉴证结论。

结合我们对财务报表的审计，我们的责任是阅读其他信息，在此过程中，考虑其他信息是否与财务报表或我们在审计过程中了解到的情况存在重大不一致或者似乎存在重大错报。

基于我们已执行的工作，如果我们确定其他信息存在重大错报，我们应当报告该事实。在这方面，我们无任何事项需要报告。

四、管理层和治理层对财务报表的责任

中国人口福利基金会管理层（以下简称管理层）负责按照《民间非营利组织会计制度》的规定编制财务报表，使其实现公允反映，并设计、执行和维护必要的内部控制，以使财务报表不存在由于舞弊或错误导致的重大错报。

在编制财务报表时，管理层负责评估中国人口福利基金会的持续经营能力，披露与持续经营相关的事项，并运用持续经营假设，除非管理层计划清算中国人口福利基金会、终止运营或别无其他现实的选择。

治理层负责监督中国人口福利基金会的财务报告过程。

五、注册会计师对财务报表审计的责任

我们的目标是对财务报表整体是否不存在由于舞弊或错误导致的重大错报获取合理保证，并出具包含审计意见的审计报告。合理保

证是高水平的保证，但并不能保证按照审计准则执行的审计在某一重大错报存在时总能发现。错报可能由于舞弊或错误导致，如果合理预期错报单独或汇总起来可能影响财务报表使用者依据财务报表作出的经济决策，则通常认为错报是重大的。

在按照审计准则执行审计工作的过程中，我们运用职业判断，并保持职业怀疑。同时，我们也执行以下工作：

（1）识别和评估由于舞弊或错误导致的财务报表重大错报风险，设计和实施审计程序以应对这些风险，并获取充分、适当的审计证据，作为发表审计意见的基础。由于舞弊可能涉及串通、伪造、故意遗漏、虚假陈述或凌驾于内部控制之上，未能发现由于舞弊导致的重大错报的风险高于未能发现由于错误导致的重大错报的风险。

（2）了解与审计相关的内部控制，以设计恰当的审计程序，但目的并非对内部控制的有效性发表意见。

（3）评价管理层选用会计政策的恰当性和作出会计估计及相关披露的合理性。

（4）对管理层使用持续经营假设的恰当性得出结论。同时，根据获取的审计证据，就可能导致对中国人口福利基金会持续经营能力产生重大疑虑的事项或情况是否存在重大不确定性得出结论。如果我们得出结论认为存在重大不确定性，审计准则要求我们在审计报告中提请报表使用者注意财务报表中的相关披露；如果披露不充分，我们应当发表非无保留意见。我们的结论基于截至审计报告日可获得的信息。然而，未来的事项或情况可能导致中国人口福利基金会不能持续

经营。

（5）评价财务报表的总体列报、结构和内容（包括披露），并评价财务报表是否公允反映相关交易和事项。

我们与治理层就计划的审计范围、时间安排和重大审计发现等事项进行沟通，包括沟通我们在审计中识别出的值得关注的内部控制缺陷。
